

THE BOATSHED

The Boatshed is a beautifully restored heritage venue located on Wellington's iconic waterfront at Taranaki Street Wharf. Originally built in the 1920s as a working boatshed, the building retains its maritime character while offering a refined and welcoming setting for modern events.

Exposed timber beams, rustic detailing and sweeping harbour views create a warm and memorable atmosphere. Its flexible layout makes the venue suitable for weddings, conferences, corporate functions, gala dinners, cocktail events and private celebrations. The Boatshed can be configured to suit both intimate gatherings and larger occasions, with adaptable furniture arrangements and modern event facilities supporting a variety of event styles.

Located just minutes from Wellington's CBD, Te Papa, nearby accommodation and public transport, The Boatshed is easily accessible for both local and visiting guests and is available to book through Wellington Functions.
