

The Wellington Rowing Club is a character-filled waterfront venue located on Taranaki Street Wharf overlooking Whairepo Lagoon. Established in 1885, the historic clubhouse combines its rowing heritage with a relaxed and welcoming setting for modern events. Polished timber floors, high ceilings, large windows and sweeping harbour views create a warm and memorable atmosphere. The flexible open-plan layout is suitable for weddings, conferences, corporate functions, seated dinners, cocktail events and private celebrations.

Indoor-outdoor flow to the private waterfront deck provides additional space for guests to gather, while natural light and modern event facilities support a wide range of room configurations. Located just minutes from Wellington's CBD, Te Papa, nearby accommodation and public transport, the Wellington Rowing Club is easily accessible for local and visiting guests and is available to book through Wellington Functions.
